

KROKS IN TAIWAN

2000 - 2025

I am truly honored to celebrate the momentous and joyful 50th anniversary of the Harvard Krokodiles. Since the OFC Foundation first hosted the Kroks in 2000, we have cherished the tradition of welcoming you every year. Your performances are always spectacular—not only are they technically stunning, but they also fill the audience with immense joy and passion. Every reunion feels like a warm and unforgettable gathering of friends. On this special 50th anniversary, I send my heartfelt wishes for the Krokodiles' continued brilliance as you bring your music and spirit to every corner of the globe. I look forward to seeing you all year after year, as we continue to create more beautiful and precious memories together.
